

SPACE ADVENTURE PARK

Cité de l'Espace

Space Adventure Park Visit

**Thursday the 21st of June 2012 in the morning - Departure by bus from Pierre Baudis Congress Centre**

Pick up at 9:00am (3 hour duration) – drop off at 12:30pm

Language of the tour: English

A unique and spectacular scientific theme park where you will explore the secrets of the Universe that will reveal themselves to you as soon as you cross the threshold. You'll experience the unexpected and the infinite possibilities of the image.

Let yourself be transported into the heart of space, where men dream of adventure... At the space adventure Park ,discover the Imax® 3D cinema on a giant screen six floors high, one of the largest Planetarium in Europe, life-size space rockets, physical training devices and interactive exhibitions. You will immerse yourself in the world of space and you will become the privileged passenger of a journey in the cosmos.

Return by bus to the City centre**This rate includes:**

- the transport by bus to the Cité de l'Espace and return
- entrance fee and guided tour
